

Water Quality Committee Meeting
Workshop-WMP Objective 13

Terry Willis, John Kliem, Tim Gates, Nancy Allison, Dan Meier, Dave Rountry, Bruce Jones, Chad Stussy, Ron Schillinger, Bari Williams, Terry Nelson, Tim Schere, Ann Wick, Paul Easter, Brian Shea, Bob Meier, Dick Atkins, Mark Swartout, Terry Franklin, and Lee Napier were present.

Terry Willis welcomed everyone and asked each person to introduce themselves. After introductions, Terry provided an overview and background related to the objective – Develop approaches to keep forestry and agriculture on the land.

John Kliem reviewed the agenda for the group.

- The overview by Terry.
- Reality Check-do we have all the interim milestones needed and in the right order.
- Who is willing to commit.
- What resources do we need.
- Work schedules to complete IM.
- Recap and what's next.

John explained the Detailed Implementation Process and how it relates to state law.

How did you develop and select this objective?
